RE: File #2002-01361
Red Fox Condominiums

Dear Mr. Robert Bowden:

On May 14, 2003, personnel from the Department of Environmental Services ("DES") conducted an inspection of the above referenced property, more specifically referenced on Town of Bristol Tax Map 106 as Lot 66 (the "Property"). The purpose of the inspection was to determine compliance with RSA 483-B and applicable rules adopted under that statute, and specifically whether the deficiencies noted in the Letter of Deficiency issued to you on July 8, 2002, have been addressed.

As a result of this inspection, it was determined that the deficiencies described in the Letter of Deficiency have been corrected. DES will close its enforcement file regarding the Property at this time. DES reserves the right to reopen this matter should additional information be received regarding additional violations on the Property.

DES may conduct another site inspection in the future to assure survival of the restoration plantings and compliance with the applicable requirements. Thank you for your assistance to bring this matter to a resolution. Should you have any questions, please contact the Shoreland Program at (603) 271-6876.

Sincerely,
